

# Redefine career development. Help employees thrive.

The time-honored tradition of defining career development exclusively in terms of promotions, moves, and title changes is dead. Beyond, between, and besides the climb up the positional ladder, there are many other ways that employees can—and want to—grow. And managers are in a powerful position to make this happen.

In *Promotions Are So Yesterday*, Julie Winkle Giulioni offers you a new approach for developing your employees' careers and helping them thrive in a company when promotions are not readily available. Discover an easy-to-apply framework of seven alternative dimensions of development (contribution, competence, confidence, connection, challenge, contentment, and choice) that will engage your employees—dynamic opportunities for growth that are completely within your control as a manager.

*Promotions Are So Yesterday* is filled with practical advice, nearly 100 questions to spark reflection and productive dialogue, and actionable templates and tools that managers can use with employees. Help bring your employees and your organization to even greater achievement with a strategy that will increase your employees' job satisfaction, performance, knowledge, and skills and strengthen your organization's workforce.

## ABOUT THE AUTHOR

**Julie Winkle Giulioni** is a speaker, consultant, and author in the areas of leadership, career development, and employee growth. She is the co-author of the international bestseller *Help Them Grow or Watch Them Go* (Berrett-Koehler, revised 2019).
